

The diagram is a handwritten timeline for a project, likely a thesis or research project, spanning from 2024 to 2026. The timeline is divided into three main sections: 2024, 2025, and 2026. Each section contains various tasks and milestones, often with dates. The tasks are written in different colors and styles, some in boxes, some in clouds, and some in plain text. The timeline is marked with dates from 01 to 12 for each year.
